Open Culture Foundation (OCF)

Open Culture Foundation: Connecting Tech Communities for Open Innovation and Digital Rights in **Taiwan**. As a non-profit since 2014, we support over 30 open tech communities, advocate for digital human rights, and foster a transparent and inclusive digital civil society. Join us in promoting open co-creation and shaping the future of technology in **Taiwan**.

Projects

OCF Administration Center

OCF streamlines Taiwan's open-source community operations, handling administrative tasks like account management, financial transactions, reporting, consulting, data collection, event organization, and website maintenance. We take care of the essential groundwork, so the community can thrive.

Internet Freedom Meetup（Coffee & Circumvention @Taipei）

The 'Internet Freedom Meetup' in Taiwan, inspired by the global Internet Freedom Festival (IFF), originated as 'Coffee & Circumvention' (C&C). OCF, invited by IFF, launched this monthly event in Taiwan to discuss internet freedom and digital rights every 3rd Thursday. Now localized as 'Internet Freedom Meetup' (網路自由小聚), it connects communities to address crucial issues.

Ranking Digital Rights (RDR) Taiwan

In the digital age, OCF and global partners leverage knowledge and international standards to assess Taiwanese corporations' practices in free-speech management and personal information protection. Join us in promoting human rights and data-based services globally.

Support Program for International Conference Participation

Taiwan's open source contributors shine globally with projects like 'Instant Mask Map.' We support local contributors to join international conferences, empowering communities and fostering global collaboration.
